

CERTIFICATE

APPROVED APPLICATOR

Engineering
Silicones for
Façade
Applications

This is to confirm that

SINERTECH SRL

is an Approved Applicator for the following applications of Sika-Products:

Engineering Silicones for Façade Applications

The Approved Applicator has received a practical and theoretical training in the proper storing, preparation and application of Sika products.

The Approved Applicator is aware of the relevant Sika Product Data Sheets and all other technical documentation. This confirmation is valid for one year from its date of issue and may be renewed subject to the Approved Applicator successfully completing any training courses required by Sika.

Martina Schwipl
Global Key Account Manager
Sika Services AG

Date: 30.11.2018

Validity: 11/19

Sika is not responsible for the Approved Applicator's compliance with Sika's guidelines or training instructions or any other requirements of third parties. Sika is not liable for any acts or omissions of the Approved Applicator arising in any way, including, but not limited to, any breach of contract; or any tort (including negligence); or any breach of statutory duty.
